

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** Benefits may change upon renewal. For more information about your coverage, or to get a copy of the complete terms of coverage, visit Member Online Services at www.HorizonBlue.com/rwjbarabas or by calling 1-844-209-4715. If you do not currently have coverage with Horizon BCBSNJ you can view a sample policy here, HorizonBlue.com/sample-benefit-booklets. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.cciio.cms.gov or call 1-800-355-BLUE(2583) to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$0 for Domestic Tier and Inner Circle. \$2,500.00 Individual/ \$5,000.00 Family for OMNIA Tier 1 providers. \$5,000.00 Individual/ \$10,000.00 Family for Tier 2 providers and BlueCard outside NJ.	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.
Are there services covered before you meet your deductible?	Yes. Preventive care is covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	Yes, \$100.00 per person for brand and non preferred prescription drugs. There are no other specific deductibles.	You must pay all of the costs for these services up to the specific deductibles amount before this plan begins to pay for these services.
What is the out-of-pocket limit for this plan?	For Domestic Tier and Inner Circle providers \$2,500.00 Individual/ \$5,000.00 Family. For OMNIA Tier 1 providers \$8,700.00 Individual/ \$17,400.00 Family. For Tier 2 providers \$8,700.00 Individual/ \$17,400.00 Family. Aggregate family.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, penalties for failure to obtain pre-authorization for services, and health	Even though you pay these expenses, they don't count toward the out-of-pocket limit.

About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan.
