

BlueDistinction®

Centers for Fertility Care

Directory of Providers

Blue Distinction Centers

Blue Distinction Centers can help patients and doctors to have better informed discussion about finding the right provider for the specific treatment a patient needs.

The Blue Distinction Center program was developed with input from the medical community and evaluates providers on their ability to deliver high quality and safe specialty care based on criteria that directly impact patient results – e.g., surgical team expertise and a history of better outcomes for patients.

To see a list of the specific selection criteria used to evaluate providers for the **Blue Distinction Centers for Fertility Care** recognition, please visit the BCBSA's [Blue Distinction Specialty Care](#) webpage.

In This Directory

This Provider Directory includes the following provider entities (*participating in Horizon Blue Cross Blue Shield of New Jersey's networks*) that have earned designation as Blue Distinction Centers for Fertility Care.

Please note that participation in the program may be subject to change. To verify this information, please contact the provider before you receive medical services.

You are also encouraged to:

- Use the Blue Cross Blue Shield Association's [Blue Distinction Center Finder](#) for the most current information throughout the country.
- View the BCBSA's [Directory of Blue Distinction Centers for Cancer Care](#) that includes all designated BDC Cancer Care provider entities throughout the country.

Blue Cross Blue Shield Association, an association of independent Blue Cross and Blue Shield Companies.

Blue Distinction Centers (BDC) met overall quality measures for patient safety and outcomes, developed with input from the medical community. A Local Blue Plan may require additional criteria for providers located in its own service area; for details, contact your Local Blue Plan. Blue Distinction Centers+ (BDC+) also met cost measures that address consumers' need for affordable healthcare. Each provider's cost of care is evaluated using data from its Local Blue Plan. Providers in CA, ID, NY, PA, and WA may lie in two Local Blue Plans' areas, resulting in two evaluations for cost of care; and their own Local Blue Plans decide whether one or both cost of care evaluation(s) must meet BDC+ national criteria. National criteria for BDC and BDC+ are displayed on www.bcbs.com. Individual outcomes may vary. For details on a provider's in-network status or your own policy's coverage, contact your Local Blue Plan and ask your provider before making an appointment. Neither Blue Cross and Blue Shield Association nor any Blue Plans are responsible for non-covered charges or other losses or damages resulting from Blue Distinction or other provider finder information or care received from Blue Distinction or other providers.

Bergen

Chen, Dehan, MD

Obstetrics and Gynecology
BDC+ Designation
Valley Hospital Fertility Center
