

# Horizon Pharmacy Program Highlights

At Horizon Blue Cross Blue Shield of New Jersey (Horizon BCBSNJ) we're here to help you get the medicines you need quickly and easily. With the Horizon Pharmacy program, you can choose how you want to fill your prescription:

## Your Local Pharmacy

You can fill a **30-day** supply of medicine for one copay at a local retail pharmacy. There are over **62,000** pharmacies across the United States in the retail pharmacy network.

## At-Home Convenience

Get your maintenance medicines through a home delivery pharmacy. Use home delivery to order up to a **90-day** supply for one mail order copay. *(See the next page to learn more.)*

## Manage your medicine online

Sign in at [HorizonBlue.com](https://HorizonBlue.com) to find an in-network pharmacy, check medicine coverage and cost, set up home delivery and much more.

## Save money on medicine

Your pharmacy benefit has a covered drug list (formulary). It includes an extensive list of medicine to treat almost all conditions. The tiers — Generic, Preferred brand and non-Preferred brands — determine how much you pay. Choosing generics may save you money.

## Taking a specialty medicine? What you need to know.

Specialty medicine is used to treat complex or rare conditions. Each of the participating specialty pharmacies provides personalized education and medicine instructions, support to help you manage your condition, and help with refills and your medicine therapy progress.
