Answers to Frequently Asked Questions About HorizonFit

Why does Horizon BCBSNJ offer HorizonFit?
Research shows that regular exercise can help you reduce your risk for several diseases and health conditions, maintain a healthy weight and improve your quality of life. HorizonFit can help you realize these benefits by providing incentives that make it easier and more affordable to exercise regularly.

Am I enrolled in a Horizon BCBSNJ health plan that participates in HorizonFit?
You can visit HorizonFit.com and enter your Horizon BCBSNJ member information to verify your eligibility. Your benefits administrator or human resources department also will be able to confirm if your Horizon BCBSNJ health plan participates in HorizonFit and if you are eligible.

How is my attendance tracked?
Attendance data is tracked in two ways:
1. Through ActiveFit™, a smartphone Bluetooth- and GPS-enabled mobile application, which can be downloaded from HorizonFit.com during the enrollment process. ActiveFit:
   • Provides access to visit and payment information
   • Has a step counter and can share motivational messaging to keep your workouts on track
   • Can enable you to nominate a fitness facility into the network
2. Through attendance records uploaded from your in-network facility to Advanta Health Solutions, which administers the program. Visits are viewable at the end of the month in your personal member portal. All providers displayed on the HorizonFit map can both upload facility-generated attendance reports and support ActiveFit mobile tracking.

Are my family members eligible?
If you are eligible for HorizonFit, your family members who are 18 or older and covered under your Horizon BCBSNJ health plan are also eligible to participate in the program.
How do I find a participating fitness facility?
To find a participating fitness facility, visit HorizonFit.com. Once your eligibility is verified, you can search the network of participating fitness facilities by ZIP code.

What if I am already a member of a participating fitness facility?
If you are currently a member at a participating fitness facility, then you just need to complete the enrollment form at HorizonFit.com, create your HorizonFit account on the secure site and link it to a major credit or debit card. Your existing membership privileges will remain unchanged, and you will continue to pay your membership fees directly to your fitness facility. Your linked credit or debit card is only used by HorizonFit to process your reimbursements.

What if I am already a member of a fitness facility that is not participating?
If you are currently a member of a fitness facility that is not part of the network, you may nominate the facility for participation in the Advanta Fitness Network. Just complete an online form at HorizonFit.com, and Advanta will contact the facility about joining the network and then notify you of the outcome.

What if I don’t currently belong to a facility?
You can search the thousands of participating fitness facilities by visiting HorizonFit.com.

Does it cost me anything to enroll in HorizonFit?
No. Member enrollment in HorizonFit is free. However, you must be a member of an in-network fitness facility and be current with your membership dues to be eligible for incentives.

Do I need to submit paperwork to receive my incentives?
No. If you are using ActiveFit, your attendance information is directly transmitted to your account. You will be able to see your last visit, total visits, payment information and more on your smartphone. If you are not using ActiveFit, you will be able to view the attendance submitted by your fitness facility after the facility submits its monthly report.

When and how do I receive my incentives?
If you have met the attendance goal, your incentive will be sent to you via your linked debit or credit card within 60 days following the month in which it was earned. You will receive an email when you have reached your attendance goal and another when your incentives payment has been sent.

What if I disenroll or am no longer eligible for the HorizonFit program?
Eligibility for the program is based on you remaining enrolled in an eligible Horizon BCBSNJ health plan, and on Horizon BCBSNJ offering the fitness reimbursement program. If at any time Horizon BCBSNJ cancels HorizonFit, you will be notified and you will not be eligible for any future rewards. If you were actively covered by Horizon BCBSNJ in the month(s) in which you qualified for rewards, your account will be fully credited for the incentives earned.

Can I cancel my enrollment in the HorizonFit program at any time?
You can cancel your enrollment at any time by emailing memberservices@advantahealth.com. Cancellation may take up to 30 days to take effect.
