

Access Your Member ID Anytime

Sign in to the **Horizon Blue** app or at **HorizonBlue.com** to access your member ID card whenever you need it.

Access via app

The fastest way to get your card on the go is to use the **Horizon Blue** app. **Horizon Blue** is your 24/7 resource for all of the ins and outs of your plan, and it connects you to care and support wherever you are.

To get the app, text **GetApp** to **422-272** or download it from the App Store® or Google Play™.

Once you have signed in to the **Horizon Blue** app, select *ID Cards* and follow the on-screen instructions to view or print your member ID card, or request a new one. If you request a new one, you will receive a new card in approximately five to 10 business days.

You can also show your member ID card at your doctor's office, or share it directly from the app. To print a copy of your member ID card, click *Print* below the image.

When using Horizon Blue on an iPhone, you also have the added convenience of being able to save your member ID card to your Apple Wallet™.

Access online

You can also access your member ID card by signing in to **HorizonBlue.com**. Once you have signed in, just choose *ID Cards* and follow the on-screen instructions to print, download or request a new card.

Some members may only be able to view and print a proof of coverage letter, which includes the same information as an ID card.

No card?

If the image of your member ID card does not appear once you have signed in to the **Horizon Blue** app or **HorizonBlue.com** site, your enrollment has not yet been processed. Your member ID card will automatically be mailed to you after your enrollment is processed.
