Your Plan Decision Guide
For 2014 Individual & Family Health Insurance Coverage

Horizon Blue Cross Blue Shield of New Jersey
Health care reform is here. And some things are changing.

Starting in 2014, nearly everyone will be required to have health insurance coverage (or pay a tax penalty).

What does this mean for you?

**NEW HEALTH INSURANCE OPTIONS**
A range of plan choices grouped by “metal”—Gold, Silver and Bronze—helps you compare costs.

**NEW ESSENTIAL BENEFITS**
Coverage for preventive care, prescription drugs, enhanced services for kids, emergency services and more—10 categories of benefits in all—are included in every plan.

**NEW FINANCIAL ASSISTANCE**
Depending on your age, income and family size, government assistance may help you save on monthly premiums and medical services.

But you can still rely on the power of Blue.

Get the coverage you deserve from New Jersey’s most trusted name in health insurance—Horizon Blue Cross Blue Shield of New Jersey.

**We offer:**

» New Jersey’s largest network of doctors and hospitals*

» Prescription drug coverage accepted at 98% of pharmacies across the state

» The strength and stability that comes with more than 80 years of experience and over 3.7 million members

**It all adds up to peace of mind.**

*Applies to Advantage plans only. Advance plans use a subset of managed care network providers that includes fewer providers.

Even if you’re generally healthy, you could get sick or injured. And if you don’t have health coverage, medical care can be expensive.

That’s why, starting in 2014, the Affordable Care Act says that nearly everyone needs to have health insurance. You may think you don’t need health insurance, but by sharing the cost of medical care across all of us—even those of us who are healthy right now—health insurance makes care affordable when you do need it.

Health insurance helps pay for doctors, medical tests, hospitalization and prescription drugs. To help you stay well, it also pays for routine preventive care. Of course, how much your coverage will pay—and how much you’ll pay—depends on the plan you choose. Read on to learn all about our individual health plans, how to compare costs and benefits, and how to pick the one that’s right for you.

**Am I required to buy health insurance?**

Yes. Starting in 2014, if you don’t have health coverage, you could be subject to a penalty on your next year’s tax return. Wouldn’t it be better to put your money toward health coverage (and possibly getting help to pay for it) rather than toward paying a penalty?

To buy an individual health plan from Horizon BCBSNJ, you must:

» Be a New Jersey resident

» Not be covered under another group or employer health plan

» Not be eligible for Medicare*

Can I get help with paying for health insurance?

Under the Affordable Care Act, you may qualify for financial help from the government:

**PREMIUM ASSISTANCE** reduces your monthly cost for coverage, which means you pay less out of pocket.

You may also qualify for:

**COST-SHARING SUBSIDIES**, which lower the amount you have to pay in deductibles, copayments and coinsurance.

How much assistance could I get?*

That depends on your household income and the number of people in your household, along with other factors. The chart to the right will give you a good idea. For a more complete financial assistance estimate, visit [HorizonBlue.com/Estimator](http://HorizonBlue.com/Estimator).

1. Find the number of people in your household, including yourself, at the top of the chart.

2. Choose the dollar range on the left that comes closest to your household income.

3. Find the spot where your Household Members column and your Household Income row meet. If you land on a colored box, you may be able to get help with paying for health insurance.

4. Think you may qualify for help? Several factors besides household income and size can affect your eligibility. Visit [HorizonBlue.com/Estimator](http://HorizonBlue.com/Estimator), answer a few questions and find out just how much you could save.

5. Write your estimated premium assistance amount (if any) from [HorizonBlue.com/Estimator](http://HorizonBlue.com/Estimator) below.

Gold, Silver or Bronze?
Under the Affordable Care Act, individual health plans are organized by “metal.” The idea is to make it easy for you to compare similar plans from different insurers.
Each metal—Gold, Silver and Bronze—corresponds to how much you pay versus how much we pay.
In addition to plans at the Gold, Silver and Bronze levels, Horizon BCBSNJ offers a low-cost, high-deductible Essentials plan for individuals under age 30.

GOLD
» Higher monthly premiums
» 80% coverage (you pay 20%)
» Good choice if you expect to use a fair amount of medical services

SILVER
» Mid-level monthly premium
» 70% coverage (you pay 30%)
» Cost-sharing subsidies may be available
» Good choice if you want a balance between monthly premiums and out-of-pocket expenses

BRONZE
» Low monthly premium
» 60% coverage (you pay 40%)
» Good choice if you don’t expect to use a lot of medical services

ESSENTIALS
» Low monthly premiums
» Highest deductible
» 100% coverage after deductible
» Good choice if you are under age 30, healthy and don’t expect to use a lot of medical services

Advance or Advantage?
For individuals and families, Horizon BCBSNJ offers two kinds of plans. Each provides medical and pharmacy benefits, including wellness and emergency care.

PCP
Each member must choose a Primary Care Physician (PCP) to coordinate care.

SILVER
» Mid-level monthly premium
» 70% coverage (you pay 30%)
» Cost-sharing subsidies may be available
» Good choice if you want a balance between monthly premiums and out-of-pocket expenses

BRONZE
» Low monthly premium
» 60% coverage (you pay 40%)
» Good choice if you don’t expect to use a lot of medical services

ESSENTIALS
» Low monthly premiums
» Highest deductible
» 100% coverage after deductible
» Good choice if you are under age 30, healthy and don’t expect to use a lot of medical services

HOSPITALS
Hospitals with the 💊 icon in our provider directory will cost less. Other hospitals in the Horizon Managed Care Network are available to you, but will cost more.

Access to hospitals participating in the Horizon Managed Care Network.
TERMS TO KNOW:

**PREMIUM:** What you pay each month for health insurance coverage.

**COPAYMENT:** The amount you must pay for each medical visit to a participating doctor or other health care provider, usually at the time of service.

**COINSURANCE:** The percentage of a covered charge that you are responsible for. For example, if you have 20% coinsurance, your plan pays 80% of covered charges and you pay 20%.

**DEDUCTIBLE:** The amount of covered charges you must pay each year before benefits are paid by your plan.

**OUT-OF-POCKET MAXIMUM:** The most you must pay for covered health care services during a plan year. Once you have reached your out-of-pocket maximum, your plan pays 100% of covered costs for the rest of the year.

WHAT’S AN EPO?

EPO stands for Exclusive Provider Organization. Horizon EPO plans offer affordable care when you use participating doctors, specialists and hospitals. Depending on the plan you choose, you may need to select a PCP who will coordinate your care and make referrals to specialists when needed. Except for emergency care, out-of-network care is not covered.

NEED HELP DECIDING?

What kind of health insurance customer are you?

**GOLD & SILVER** vs. **SILVER & BRONZE**

**How much medical care do you typically use?**

A lot—You see doctors often, and not only for preventive care. You may have a chronic condition and/or take maintenance medications.

Consider: Gold and Silver plans with higher premiums, but lower deductibles and out-of-pocket costs.

Not much—You get an annual checkup and preventive care, but rarely see doctors otherwise.

Consider: Silver and Bronze plans with lower premiums, but higher deductibles and out-of-pocket costs; Essentials plan (under age 30 only).

**ADVANCE** vs. **ADVANTAGE**

**Would you pay more for greater flexibility?**

No—You will need a PCP referral to see a specialist. Hospitals with the 🌟 icon in our provider directory will cost less.

Consider: Advance EPO plans. You must select a Primary Care Physician (PCP).

Yes—You won’t need a PCP referral to see a specialist.

Consider: Advantage EPO plans. You can choose a PCP, but it’s not required.

**GOLD, SILVER, BRONZE** vs. **ESSENTIALS**

**Are you under age 30 and generally healthy?**

No

Consider: Gold, Silver or Bronze plans.

Yes

Consider: Advantage EPO Essentials plan with a low premium but high deductible, and no copayment for your first three PCP visits each year.

Are you eligible for cost-sharing subsidies? You must choose a Silver plan in order to take advantage of them.
Compare Benefits

Starting in 2014, all our health insurance plans will include these 10 categories of essential health benefits:

» Outpatient services, such as diagnostic tests and minor surgeries
» Emergency services
» Hospitalization
» Maternity and newborn care
» Mental health and substance-abuse-disorder services, including behavioral health treatment
» Prescription drugs
» Rehabilitative services and devices
» Laboratory services
» Preventive and wellness services and chronic disease management

**ADVANTAGE PLANS** don’t require a PCP or specialist referrals.

**THE ESSENTIALS PLAN** is a low-cost, high-deductible option designed for Healthy Individuals under age 30.

**GOLD, SILVER AND BRONZE** plan levels correspond to how much you pay versus how much Horizon BCBSNJ pays when you get care.

Any doctor or other health care provider you choose must participate in your Horizon BCBSNJ EPO health plan. Except for an emergency, any care you get from a provider who doesn’t participate in your plan’s network will not be covered, and you will be responsible for the total cost.
Monthly Premiums

Here are the monthly premium rates for our Horizon BCBSNJ plans. Your premium may be less if you qualify for financial assistance from the government. To see if you qualify, use our online estimator at HorizonBlue.com/Estimator.

TO CALCULATE YOUR MONTHLY PREMIUM:

1. Choose a plan and write its name on your worksheet to the right.

2. In the column under that plan name, find the row for your age to see your monthly premium. Enter your age and the premium in the worksheet.

3. Do the same for each adult and child under age 21 in your family. All your entries must be for the same plan in the same column.

4. Your estimated monthly premium will be the total of the rates for each person on the plan, based on their ages, after subtracting any estimated assistance.

5. Need to cover more than three children under age 21? You pay only for the first three.

Note: If you qualify for premium assistance, you can apply it to any Gold, Silver or Bronze plan. But you must select a Silver plan to take advantage of cost-sharing subsidies.

*If you’re age 30 or over and receive certification for catastrophic coverage, you may be eligible to choose the Advantage EPO Essentials plan. For rates and details, contact us at the number below or ask your broker.

Learn about Dental Coverage

Covering a child under age 19?
Under the Affordable Care Act, you may be required to purchase comprehensive pediatric dental coverage for children covered under your family plan. To help you meet this requirement, we offer Horizon Young Grins dental coverage.

**HORIZON YOUNG GRINS DENTAL PLAN**
The Horizon Young Grins dental plan emphasizes prevention and early intervention through routine oral screenings and evaluations, all to help keep those young grins healthy and looking their best.

**Note:** Do you have comprehensive pediatric dental coverage from another insurer? Just let us know, and we’ll waive the Horizon Young Grins coverage requirement for your children. The additional monthly premium for Horizon Young Grins coverage is $24.97 per child under age 19. For three or more children under age 19, you’ll pay a maximum of $74.91 monthly.
